WAGNER COLLEGE

May 30, 2017

Dear Joseph Daniel:

On behalf of the English department at Wagner College in New York, I would like to invite you to give a presentation at our college on the subject of Ethiopian cinema. I was very impressed by your participation in my ten-week course on "America in Movies" for the Addis Ababa Cultural and Tourism Bureau in 2016. I hope that we can continue this cultural exchange by having you talk to students and faculty in the United States about your experience as a successful actor and producer in Ethiopia's movie and television industry. Your duties as the operational auditor for the Ethiopian Film Producers Sectoral Association make you an ideal cultural ambassador. I look forward to our future work together.

Sincerely,

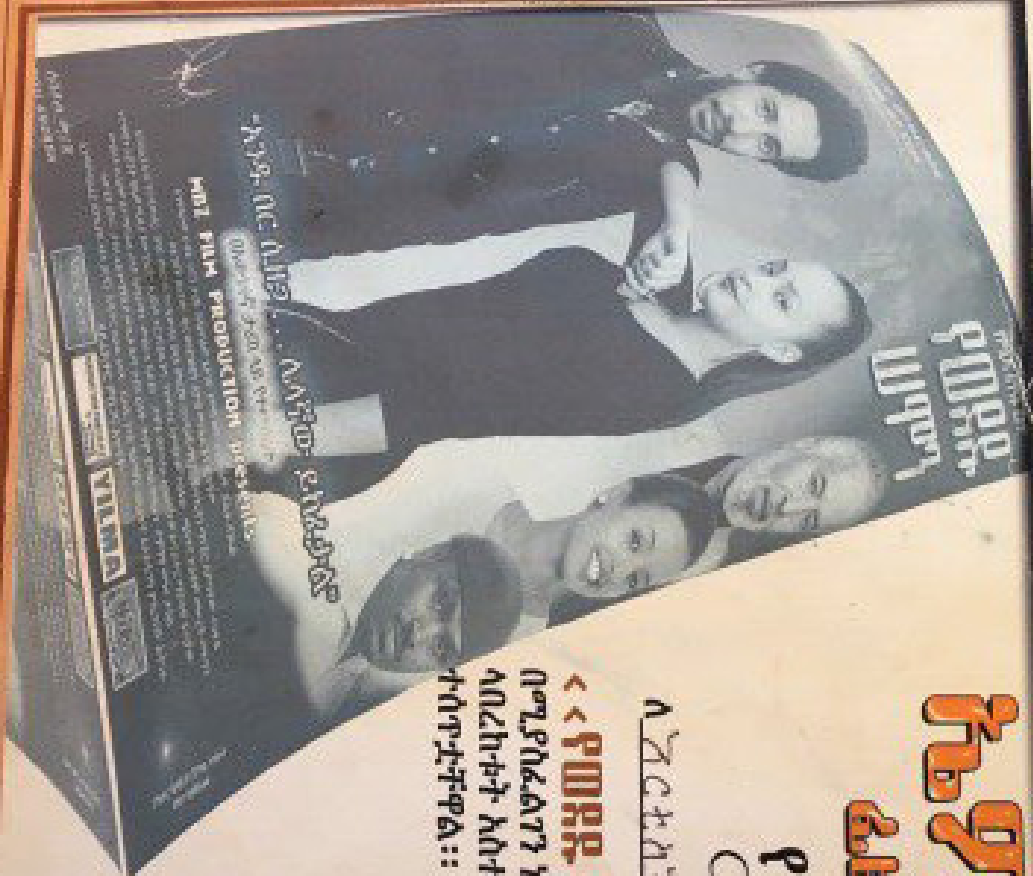

Steven W. Thomas
